

LENTEN JOURNEY

As we embark on the Lenten journey, the Church invites us to grow in our spiritual life. The forty-day preparation for Easter Feast can be likened to Jesus' experience in the desert. Just as he was led by the Spirit, our Lenten journey is also an experience of being led by the Spirit in order to grow in our love for God and others.

Let us go with Jesus and with St. Mary Magdalene parishioners on this season of grace by participating in the following events:
