Third Sunday of Lent

God gave Moses commandments for us to follow.
Solve the math problems to find how many there are.

$$\begin{array}{r} 3 \\ 2 \\ + 5 \\ \hline \end{array}$$

$$\begin{array}{r} 1 \\ 1 \\ + 8 \\ \hline \end{array}$$

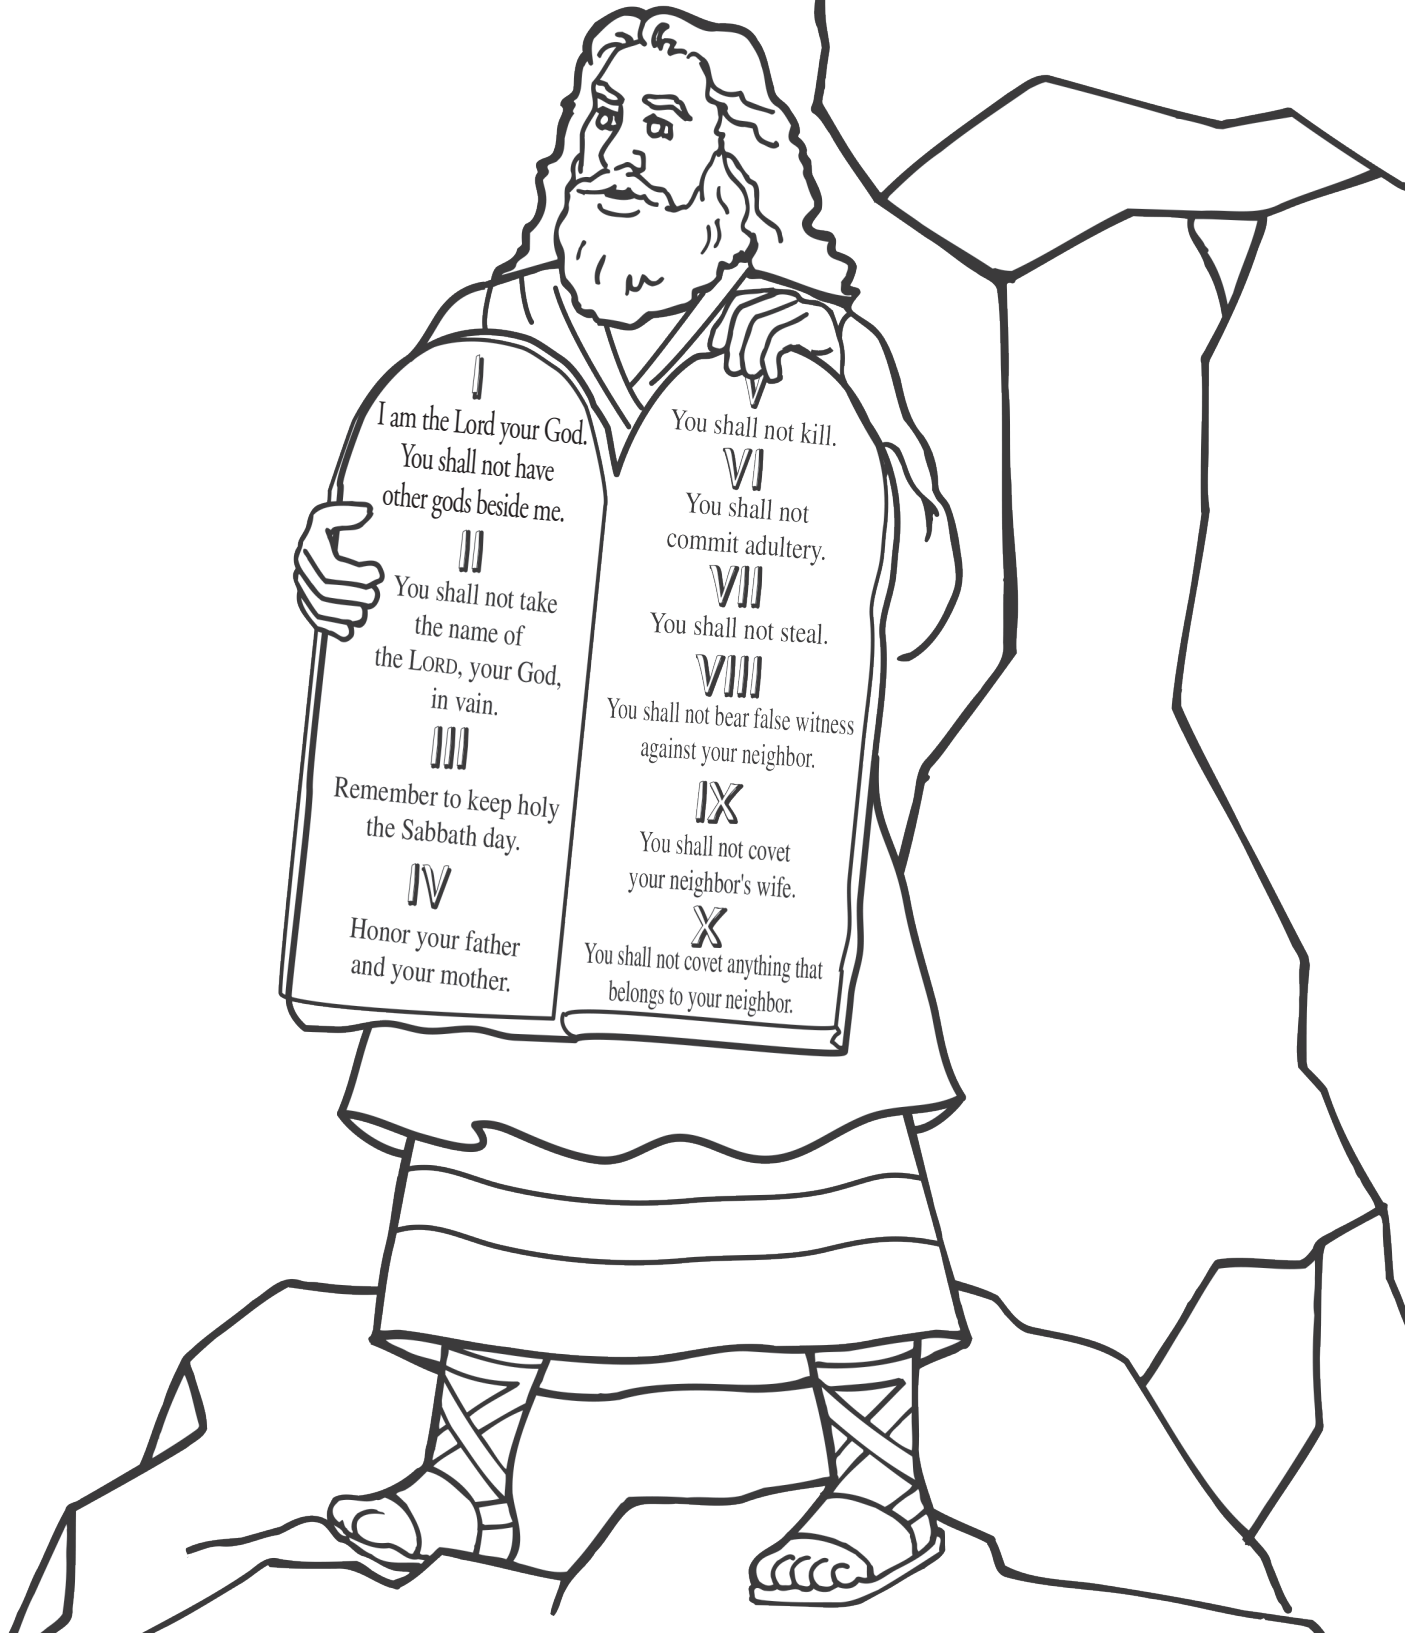

$$\begin{array}{r} 6 \\ 0 \\ + 4 \\ \hline \end{array}$$

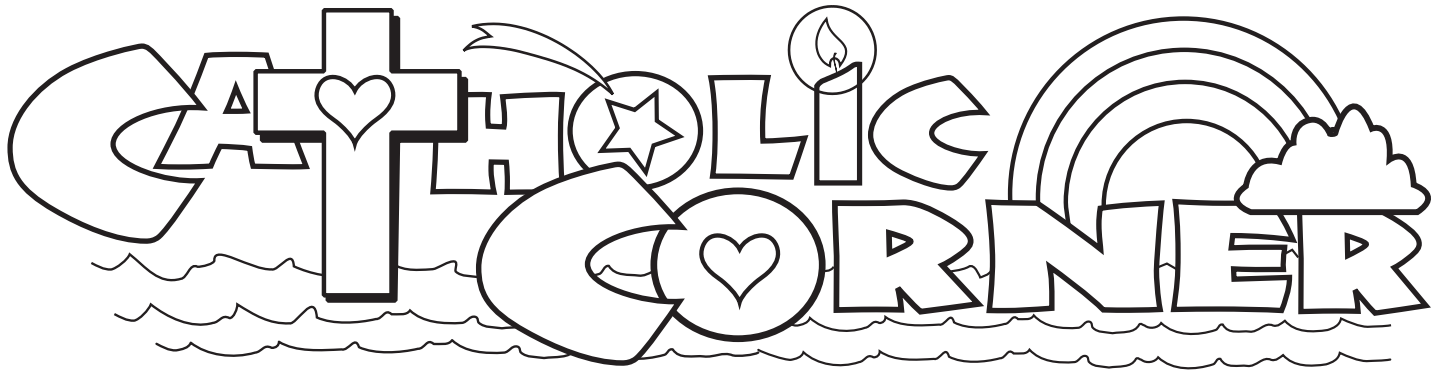

$$\begin{array}{r} 13 \\ - 2 \\ - 1 \\ \hline \end{array}$$

$$\begin{array}{r} 7 \\ 2 \\ + 1 \\ \hline \end{array}$$

$$\begin{array}{r} 15 \\ - 3 \\ - 2 \\ \hline \end{array}$$

*God delivered all these commandments.
Exodus 20:1*

The Way of Sorrow

The Stations of the Cross help us remember the stops Jesus made along the *Via Dolorosa* (Way of Sorrow). This year we are praying the stations but thinking about them in a different order.

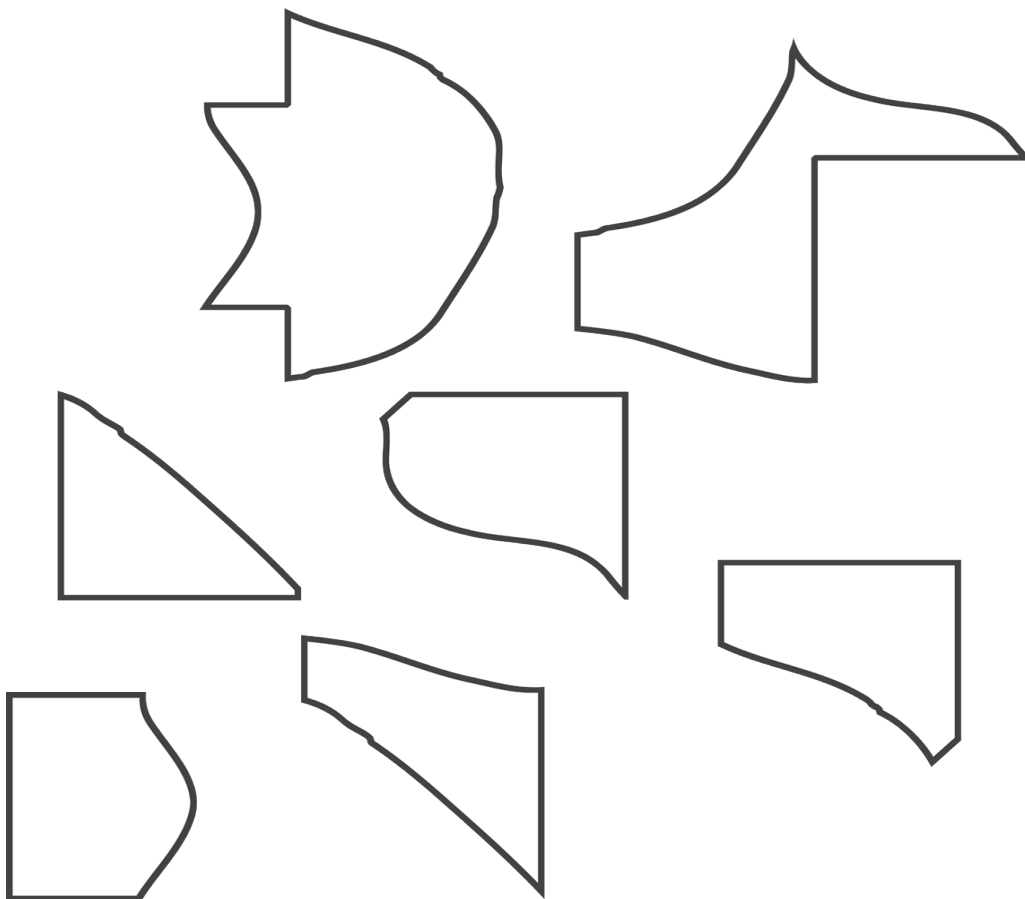

We've already looked at the people who helped Jesus and the times Jesus fell under the weight of his cross. Four of the seven remaining stations give us a description of the way in which Jesus died. Make a visit to church with someone in your family, and find the stations listed below. Fill in the descriptions next to the station.

Station 2 _____

Station 11 _____

Station 12 _____

Station 13 _____

What happens in the three remaining stations: 1, 10, and 14?

Jesus died for us. When we give up our time or share one of our things with some-one else, we are like Jesus—giving a part of ourselves for another person. To the left you will find seven puzzle pieces. On each one, write one thing you will do this week for someone in your family or classroom. Cut out the pieces, fit them together, and glue them on a piece of paper. What shape does the puzzle make?
